

Prayer for the Beginning of a New Year

Loving God, inspire me with courage and hope as I embark on this New Year.

Through your loving kindness bless the unfolding journey of my precious life.

Grant me wisdom to successfully negotiate my way forward.

Give me the ability to respond positively to the opportunities that come my way.

Reassure me when I find life difficult and especially when I feel like giving up.

Help me to reach out to others and encourage them along the way.

Through Christ our Lord, Amen.
