

"We love this beautiful planet on which God has put us, and we love the human family which dwells here, with all its tragedies and struggles, its hopes and aspirations, its strengths and weaknesses. The earth is our common home and all of us are brothers and sisters."

*(Pope Francis: The Joy of the Gospel)*

Lord Jesus Christ

May we welcome with open hands, eyes and heart the gift you share with us... the gift of yourself.

Deepen our faith

Broaden our vision

Strengthen our hearts

So that we may live with joy and hope, witnessing to the good news of your kingdom. Amen
