

A Prayer for Faith

Gracious God,
Through the gift of your son Jesus
Awaken in us a faith
That does justice
That allows us to see what we need to see
That opens our ears to your word wherever it is spoken
That stirs gratitude for the ways we are blessed
That offers hope in times of trouble
That challenges our certainties
That invites us to dream yet wakes us from our sleep
That heals our wounds
That fills our hearts with love
And that guides us on the way of peace.

Amen
