

“The Glory of God is the human person fully alive”

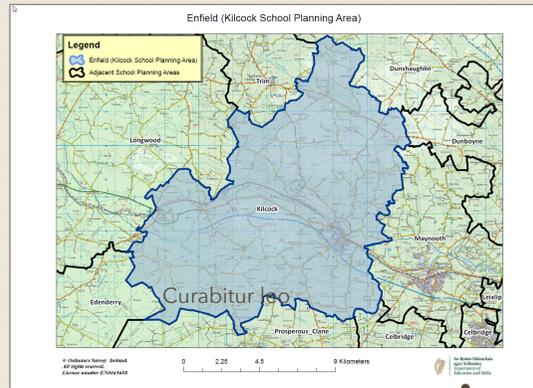

Irenaeus of Lyon

We aim, with parents and guardians, to develop well-rounded young people who have opportunities to engage in a wide range of extracurricular activities - aiming to develop all of their talents and interests.

Only **39%** of post primary schools in Co. Kildare and Co. Meath are currently **Catholic** in their ethos serving a population of whom 80% declare themselves as Catholics. A school with a **Catholic ethos** would help address this imbalance and enhance parental choice in your area.

## NEW SCHOOL ENFIELD KILCOCK SCHOOL PLANNING AREA

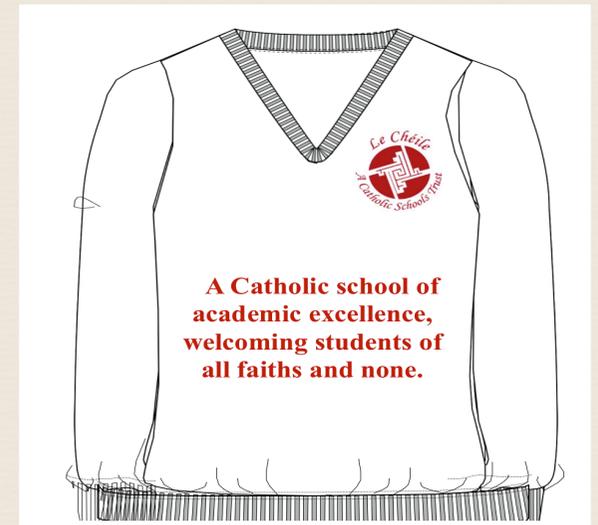

A patron of the new school for this area has to be decided by Parental preferences of parents/guardians of children who live in the school planning area.

Preferences are collected in a survey called the Online Patronage Process system which was developed to provide objective information to all parents and guardians to allow them to make an informed choice in expressing a preference for their preferred model of patronage for their child's education. A Le Chéile School would enhance parental choice in your area.
