

## **“FOR MY SISTER”**

As part of celebrating international women’s day, we would like to say that we are organizing a collection to help the **AOIBHNESS Women’s Shelter**. When women flee their homes from ***domestic violence***, they often have very little with them. On arrival to the shelter, they are given a welcome pack.

We are now appealing to the students and staff of Maryfield college to help us gather the items for these pamper packs. We need donations of the following unused and unwanted products:

- Make-up /Toilet-bags / small cloth bags
- Shampoo /conditioner/shower gel
- Hair products
- Nail products
- Make-up
- Sanitary products
- Perfume
- Make-up wipes
- Deodorant
- Lip balms

All these little items of offering are meant to add some distraction and some pampering to the women’s chaos. Perhaps you have too many products in your drawers and wardrobes at home, therefore, help us to help you have a good spring clean. There are a few boxes at the student entrance, please give generously to this worthy cause.
